3. The balance of the purchase money shall be paid within thirty days from the date of sale, failing which, the earnest and one-fourth deposits already paid will be forfeited to Government and the timber not paid for shall be resold.

4. No timber shall be removed by any purchaser until it has been paid for in full and until a license to remove is obtained for it.

5. If timber is left in the woodyard unremoved for more than ninety days from the date of sale, such timber will remain at the risk of the purchaser and further, the purchaser will be required to pay woodyard rent at 6¼ per cent per annum on the purchase money from the date of sale.

6. Timber of the defaulters of previous sales will be resold in this auction.

K. REVANNA,
District Forest Officer.

TARIKERE FOREST DIVISION

Notice dated 10th March 1923.

It is hereby informed that under Section 40 of the Mysore Forest Regulation, the marginally noted teak pieces of dimensions noted against them were found lying unclaimed in one Naganna's field at Serehalli village, Amritapur hobli. These have been kept under the custody of Kallanna of the same village. If any person claiming interest fails to establish his title thereto before the Range Forest Officer at Tarikere within one month from the date of publication of this notice, the ownership of the said pieces shall, under Section 42 of M. F. R. vest in Government free from all encumbrances.

District Forest Officer.

ENGINEERING DEPARTMENT.

SANITARY DIVISION.

Dated 16th March 1923.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Sanitary Division, up to 12 noon, 7th April inclusive 1923 for pipes required for Water Supply to Koppa Town. An approximate estimate of quantities is given below. These quantities are not guaranteed. The supply of pipes should be completed before the 15th of May 1923.

(2) The pipes have to be delivered F. O. R. Narasimharajapura Railway Station, on the Tarikere-Narasimharajapura Narrow Gauge Line (Mysore Railways).

(3) Each tender must be accompanied by a deposit of Rs. 300 in cash or Government promissory notes, as earnest money and be superscribed "Tender for pipes required for Water Supply to Koppa Town", in default of which, tenders will be rejected

(4) The final acceptance of any tender will rest with the Chief Engineer for Irrigation who does not bind himself to accept the lowest tender or to assign any reason whatever, for the rejection of any tender.

(5) Within 8 days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

(6) The name of the successful competitor, whose tender has been accepted will be posted on the notice board in the Executive Engineer's Office in due course and the party will also be informed.

(7) On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

(8) All pipes should be of standard size as per British Standard specification (A Class pipes) and coated with Dr. Angus Smith's Solution.

List of Materials.

4" Cast Iron Spigot and Socket Turned and Board with 20% of pipes with plain ends of 9 feet length ... ... No. 615

S. SRINIVASA AIYAR,
Executive Engineer.
